ABOUT US

The 5th International Nursing Science Networking Conference (Nursing Science 2027) is a premier international forum bringing together nursing professionals, healthcare practitioners, researchers, academicians, educators, and industry experts from around the world. The conference focuses on the latest advancements, innovative practices, and emerging trends in nursing science, patient care, healthcare management, and clinical research. Nursing Science 2027 aims to promote professional collaboration, knowledge sharing, and interdisciplinary learning through keynote sessions, scientific presentations, panel discussions, and networking opportunities. Hosted in London, the conference provides an exceptional platform for global interaction and healthcare advancement under the theme: "Nursing Innovations for Global Health: Shaping the Future of Healthcare Delivery."

SCIENTIFIC SESSIONS

- Nursing Practice and Patient Care
- Evidence Based Nursing
- Nursing and Healthcare
- Nursing Education and Research
- Pediatric and Neonatal Nursing
- Geriatric Nursing and Elderly Care
- Acute Care, Critical Care and EmergencyNursing
- Psychiatric and Mental Health Nursing
- Oncology Nursing
- Cardiovascular Nursing
- Anesthesia and PeriAnesthesia Nursing
- Rehabilitation Nursing
- Midwifery and Womens Health
- Occupational Health Nursing
- Gynecology and Obstetrics Nursing
- Community and Public Health Nursing
- Nursing and Infectious Disease
- AI and Emerging Technologies in Nursing

CALL FOR PAPERS

Nursing Science 2027 invites nursing professionals, healthcare practitioners, researchers, academicians, students, and industry experts to submit original abstracts and research papers for oral and poster presentations. Contributions are welcome in areas including clinical nursing, nursing education, critical care, mental health nursing, pediatric nursing, geriatric care, public health nursing, healthcare management, patient safety, and innovative nursing practices. The conference offers an excellent opportunity to present research findings, connect with global healthcare experts, and explore the latest advancements shaping the future of nursing science and patient care.

For Online Abstract Submission:

OUR SCIENTIFIC COMMITTEE 2027

Academic leaders and practitioners guiding the scientific program of Nursing Science 2027

Barbara De Groot

Genesis Healthcare, United States

Kenneth R Pelletier

University of California School of Medicine, United States

Sami Rahman

Blinn College, United States

Daryle Wane

Nurse Consultant, United States

David John Wortley

World Lifestyle Medicine Education Services (WLMES), United Kingdom

Bernd Blobel

University of Regensburg, Germany

FOR IN-PERSON PARTICIPANTS:

- Access (Entry) to all conference sessions, poster presentations
- Conference kit including name tag, program booklet andAbstract Book
- 2 Coffee breaks and Lunch for all the conference days
- Certificate accreditation from Organizing Committee

FOR VIRTUAL PARTICIPANTS:

- Access to all Presentations
- E-Abstract Book and Program
- E-Certificate for Presentation and Participation

IMPORTANT DATES:

Abstract Submission Opens: 11 May 2026

Registration Opens: 12 May 2026

REGISTRATION	Early Bird Registration	Mid Term Registration	On Spot Registration
Oral Presentation(In-Person)	**$699.00**	**$799.00**	**$899.00**
Oral Presentation(Virtual)	**$399.00**	**$499.00**	**$599.00**
Poster Presentation(In-Person)	**$599.00**	**$699.00**	**$799.00**
Poster Presentation(Virtual)	**$399.00**	**$499.00**	**$599.00**
Delegate/ Listener (In-Person)	**$799.00**	**$899.00**	**$999.00**
Delegate/ Listener (Virtual)	**$499.00**	**$599.00**	**$699.00**

WHY ATTEND NURSING SCIENCE 2027?

Expand Your Network	Engage with a global community of researchers, scientists, engineers, and industry professionals, creating opportunities for interdisciplinary partnerships and future research collaborations.
Discover the Latest Trends	Explore real-world applications of material science and nanotechnology across industries such as healthcare, energy, electronics, and environmental sustainability, bridging the gap between research and implementation.
Showcase Your Work	Hear directly from leading experts, keynote speakers, and pioneers who are shaping advancements in nanomaterials, smart materials, and next-generation technologies.
Shape the Future	Strengthen your academic and professional profile through knowledge exchange, skill development, and exposure to international research standards and innovations.
Experience London	Discover London, a world-renowned city celebrated for its rich history, advanced healthcare system, cultural diversity, and outstanding contributions to science and medical innovation. With a proven track record in delivering high-quality scientific events, Iris Scientific Group LLC is dedicated to building influential platforms that encourage collaboration, spark innovation, and promote excellence in research and healthcare. Be part of three days filled with insightful discussions, knowledge exchange, and international networking at Nursing Science 2027—an essential gathering for nursing professionals, healthcare practitioners, researchers, and educators committed to advancing patient care and nursing excellence. We are delighted to invite you to London for this inspiring event, bringing together leading minds in global healthcare and nursing science.

7 BEST PERKS OFFERING @NURSING SCIENCE 2027

- Broadcast your presentation Live over the web! Join us with your Colleagues
- Global Exposure to your Research
- Networking with Experts in the Field
- Best Poster Competition and Young Researcher Competition
- Opportunity to participate as a Student Delegates
- Publish your research in International Journal
- The Career Guidance Workshops to the Graduates, Doctorates and Post-Doctoral Fellows

CONFERENCE SCHEDULE

NURSING SCIENCE 2027 | MAY 17-19, 2027 | LONDON, UNITED KINGDOM

Day 1-May 17, 2027

08:30-09:30	Registration
09:00-09:30	Opening Ceremony and Introduction
09:30-10:30	Keynote Session
10:30-10:50	Refreshment Break
10:50-12:30	Break Out Session
12:30-13:30	Lunch
13:30-15:00	Break Out Session
13:30-15:00	Refreshment Break
15:30-17:00	Break Out Session

Day 2-May 18, 2027

09:00-10:30	Keynote Session
10:30-10:50	Refreshment Break Test
10:50-12:30	Break Out Session
12:30-13:30	Lunch
13:30-15:00	Break Out Session
15:00-15:30	Refreshment Break
15:30-17:00	Break Out Session

Day 3-May 19, 2027

09:00-10:30	Keynote Session
10:30-10:50	Refreshment Break
10:50-12:30	Break Out Session
12:30-13:30	Lunch
13:30-15:00	Break Out Session
15:00-15:30	Refreshment Break
15:30-17:00	Break Out Session

TARGET AUDIENCE

- Nursing Practice and Patient Care
- Evidence Based Nursing
- Nursing and Healthcare
- Nursing Education and Research
- Pediatric and Neonatal Nursing
- Geriatric Nursing and Elderly Care
- Acute Care, Critical Care and EmergencyNursing
- Psychiatric and Mental Health Nursing
- Oncology Nursing
- Cardiovascular Nursing
- Anesthesia and PeriAnesthesia Nursing
- Rehabilitation Nursing

ABOUT LONDON, UK

London, the vibrant capital city of the United Kingdom, is located in the southeastern part of England along the banks of the River Thames. The area has a rich history dating back to Roman times when it was founded as Londinium around 43 CE. Over the centuries, London has grown into one of the world's leading global cities, blending historical heritage with modern innovation. The city extends across both sides of the River Thames, connecting diverse neighborhoods and cultural districts.

London plays a central role in the economic and political landscape of the United Kingdom and is one of the most influential financial centers in the world. It is part of the Greater London administrative region and serves as a hub for international business, education, arts, and culture. The city covers an area of approximately 607 square miles (1,572 square km), with a population of around 9 million people, while the wider metropolitan area is home to over 14 million residents.

Historically, London developed around the ancient City of London and the City of Westminster, which remain key centers of governance and heritage. The city is known for its seamless blend of tradition and modernity, where historic landmarks coexist with contemporary architecture and dynamic urban life.

Some of the most iconic attractions in London include Buckingham Palace, Tower of London, British Museum, Big Ben, London Eye, Tower Bridge, Westminster Abbey, Trafalgar Square, Hyde Park, St. Paul's Cathedral, and many more.
