ABOUT US

World Surgery and Anesthesia Congress (WSAC 2027) will be held from March 11-13, 2027, in the vibrant city of Singapore, with a parallel online (virtual) participation option. WSAC 2027 is a premier global platform dedicated to advancing excellence in surgery, anesthesia, perioperative medicine, and critical care. The congress is designed to bring together leading surgeons, anesthesiologists, clinicians, researchers, academicians, and healthcare professionals from across the world to exchange knowledge, share clinical experiences, and explore emerging innovations that are shaping the future of surgical and anesthetic practice.

Theme: Precision, Safety, and Innovation in Surgical Care

Set in Singapore—an international hub of healthcare innovation and multicultural exchange—WSAC 2027 provides an inspiring environment for networking, collaboration, and professional growth. The hybrid format ensures inclusive global participation, allowing delegates to engage either in person or online without geographical barriers. Beyond scientific enrichment, the congress encourages the formation of long-term academic and clinical partnerships while promoting translational research from bench to bedside. WSAC 2027 is committed to empowering healthcare professionals with knowledge, skills, and connections that drive innovation, improve clinical practice, and ultimately transform surgical and anesthetic care worldwide.

SCIENTIFIC SESSIONS

- Modern Surgery and Anesthesia: An Overview
- Surgical Anatomy, Physiology and Perioperative Principles
- Preoperative Assessment, Optimization and Patient Selection
- Asepsis, Infection Control and Patient Safety
- Perioperative Monitoring, Safety and Risk Management
- Enhanced Recovery After Surgery (ERAS) Protocols
- Open, Laparoscopic and Endoscopic Surgery
- Minimally Invasive Surgery (MIS): Techniques and Outcomes
- Image Guided and Computer Assisted Surgery
- Robotic Surgery: Principles and Clinical Applications
- Precision Surgery and Genomics

WHY ATTEND WSAC 2027?

Expand Your Network

Connect with a global community of surgeons, anesthesiologists, physicians, healthcare professionals, and researchers, creating valuable opportunities for interdisciplinary partnerships, professional networking, and future collaborations.

Discover the Latest Trends

Explore the latest developments in surgery, anesthesia, critical care, and perioperative medicine. Gain insights into innovative surgical techniques, advanced anesthetic practices, patient safety, and emerging medical technologies that are transforming modern healthcare.

Showcase Your Work

Present your research and clinical experiences to an international audience. Learn from leading experts, keynote speakers, and pioneers who are advancing surgical procedures, anesthesia practices, and patient-centered healthcare.

Shape the Future

Enhance your academic and professional profile through scientific discussions, knowledge exchange, skill development, and exposure to international research, clinical advancements, and innovative healthcare practices.

Experience London

Discover Singapore, a world-renowned destination celebrated for its modern healthcare infrastructure, medical innovation, cultural diversity, and contributions to science and technology.

With a proven track record of delivering high-quality scientific events, Iris Scientific Group LLC is dedicated to creating influential platforms that encourage collaboration, inspire innovation, and promote excellence in medical research and healthcare.

Be part of three days of insightful discussions, scientific presentations, knowledge exchange, and international networking at WSAC 2027—an important gathering for surgeons, anesthesiologists, physicians, healthcare practitioners, researchers, and medical educators committed to advancing surgical care and anesthesia practices.

We are delighted to welcome you to Singapore for this inspiring international event, bringing together leading minds in surgery, anesthesia, and global healthcare.

ABOUT SINGAPORE

Singapore, a vibrant and modern city-state in Southeast Asia, is one of the world's most renowned destinations for culture, architecture, education, research, and innovation. Located at the southern tip of the Malay Peninsula, Singapore offers a unique blend of rich cultural heritage, modern development, and international appeal.

Singapore has a fascinating history, evolving from a small trading settlement into one of the world's leading global cities. Over the decades, it has developed into a dynamic international hub while preserving its distinctive multicultural identity and heritage.

Singapore is also an important centre for business, education, science, healthcare, technology, finance, and innovation. The city is internationally recognized for its advanced infrastructure, world-class research institutions, leading universities, modern healthcare facilities, and commitment to technological advancement.

Visitors can explore some of Singapore's most iconic attractions, including Marina Bay Sands, Gardens by the Bay, Merlion Park, Sentosa Island, Singapore Botanic Gardens, Chinatown, Little India, Clarke Quay, and the Singapore Flyer. With its remarkable skyline, diverse cultural heritage, lush green spaces, and vibrant international atmosphere, Singapore provides an inspiring setting for academic conferences, professional networking, and international collaboration.
